# VARLAB +

RVA 2024/2025 - Project follow Up

Daniel Madureira ○ 107603
José Gameiro ○ 108840

2024

PROJECT OVERALL VISION

- Create a AR experience for VARLAB's visitors

- Provide users an interactive way of learning more about VARLAB and its history

- Allow VARLAB owners to edit /add /remove each POI

What was done

- Menu semi-implemented

- Research on building blocks

- Research on working with Mesh

NEXT STEPS

- Add interactions to menu

- Analyze data for type creation

- Fix points in Mesh

- Test with Meta Quest 3

THANKS!
